

## **Admission /Vaccination Requirements**

Since the health and wellness of every Grinnell College student is of the utmost importance, the college has several health compliance requirements that all incoming students are required to meet. All first year students **MUST** complete the required health forms and submit them to Student Health and Wellness (SHAW) by July 15<sup>th</sup>.  
Students

**Minor Consent** – This form will be required of all students who are under the age of 18 on the first day you arrive on campus. Download and print the form; have your parents/legal guardian's review, sign and date the form; once complete upload form. If you do not see this item on your medical clearance list, it does not apply to you.

**Mumps** - Enter the two dates that you received this immunization. Dates are located on your official immunization record.

**Rubella** - Enter the two dates that you received this immunization. Dates are located on your official immunization record.

**SHAW Consent for Treatment** – Read this form carefully, complete all applicable check boxes then press the Submit Final box.

**TB Screening Form** – Please answer all screening questions and click the Submit button. Based on your answers, further compliance items may appear on your
