

Grinnell College has been selected to participate in the QuestBridge National Match. This program allows QuestBridge students to be matched with a college that meets their financial needs. Grinnell College has demonstrated that it can meet the full demonstrated need of all QuestBridge students who are matched with us. This means that QuestBridge students who are matched with Grinnell College will not need to pay for college.

Grinnell College is a member of the QuestBridge National Match. QBNM

Grinnell meets the full demonstrated need of all

D QBNM

No. All students have a student contribution of at least \$2,500. In addition to your student contribution, your financial aid includes at least \$3,000 in student employment, which must be earned by working on campus. In total, a QBNM Scholar is expected to contribute at least \$5,500 toward their education annually through a combination of summer and school year earnings.

I

Unless you receive significant outside scholarships, you will owe something each semester. You can estimate your balance due as follows: direct expenses minus grants and scholarships equals estimated balance due.

Student employment does not appear on the bill since you must choose how many hours to work on campus, if at all. All student employees are paid an hourly wage
