Rap Grand Champions Kali Otto-Gentry & Andrea Rissin

Gonna tell you a story about anthropology theory
now listen real hard, make sure you can hear me
this story originates in the nineteenth century
with the names Marx Marx, the materialist
and the idealist, Durkheim, also known as BIG D

Durkheim's society was an evolving entity.
The conscience collective gave its own identity -
enculturates the youth to act favorably,
from mechanic to organic solidarity.
